

Friends of NAC,

The National Association of Concessionaires will hold a silent auction as part of the 2011 NAC Annual Convention at Disney's Grand Californian Hotel in Anaheim, CA, July 12-15, 2011.

The Silent Auction Committee is soliciting unique gifts with values of \$50+ that may include sports or movie memorabilia, company logo gifts, movie studio gifts, Theatre season passes, sports tickets or packages, collectibles, resort property, products and any other gifts. All participants of this year's NAC Annual Convention are welcome to donate prizes for the auction over and above their sponsorship levels.

The proceeds of the Silent Auction will benefit the educational programs of the National Association of Concessionaires. Those programs include:

- Concession Manager and Executive Concession Manager programs
- Regional Seminar Series
- Accredited Concession Supplier course
- Concession Management 101
- Concessions-specific Food Safety Certification
- Annual Convention educational sessions
- Online Learning courses

The money raised through the Auction helps us to offset our costs and keep registration fees reasonable for our members and the industry at large.

To donate a gift for our Silent Auction, **please complete the enclosed donation form as quickly as possible, but no later than July 1st 2011 and ship your donation for arrival before July 8th 2011.** Shipping information is on the attached form.
